Manipal Academy of Higher Education (MAHE), an Institution of Eminence Deemed to be a University, is a self-financing higher educational institution that began operations in 1953 with the establishment of the first self-financing medical college under the Public Private Collaboration model. It's outstanding academic, infrastructure, and research accomplishments, in addition to its position in national and international rankings, contributed to its designation as an Institution of Eminence Deemed to be University (IoE) by the Ministry of Education, Government of India, in October 2020. MAHE is synonymous with higher education quality. Over 35,000 students from more than 60 countries live, learn, and play in the expansive University town, which is set on a plateau in Karnataka's Udipi district. It also offers over 3000+ professionals and nearly 10000+ additional support and assistance staff who assist the numerous professional institutions on the Wi-Fi-enabled campus in Health Sciences, Engineering & Management, Communication, Humanities, Liberal Arts, and Social Sciences, amongst others.

The MAHE has off-campus campuses in Mangalore, Bengaluru, and Jamshedpur, as well as an off-shore campus in Dubai. (UAE). Every institute features advanced technology teaching and facilities that are regularly examined and updated to reflect the newest innovations in higher education. At its locations in India and globally, MAHE currently provides over 300+ educational programs in 31+ streams, including undergraduate, postgraduate, and postdoctoral levels
