Subject : The proposal of MAHE (Deemed to be University) for opening of its centre in India and abroad - reg.

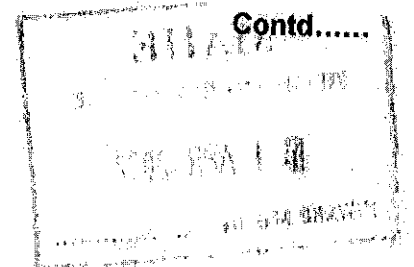

Sir,

I am directed to refer to your letter No.MAHE/REG./UGC-Campus/01 dated June 11, 2001 and subsequent correspondence on the above subject and to say that the proposal of MAHE (Deemed to be University) for opening of its centre in India and abroad was considered by the Commission at its meeting held on 21st March, 2002 and the Commission resolved as under :-

The proposal of MAHE - Manipal Academy of Higher Education, Manipal (Deemed University) to accord permission for opening their multi-campus in India and foreign-campus abroad along with copies of the Agreement between MAHE and other agencies, in question, was considered. MAHE has requested to open its Centres/campuses in India in association with:

1. **Surat Hospital Trust Association of Seventh Day Adventists, Surat, Gujarat**
2. **M.P. Birla Foundation Medical Society, Satna, M.P.**
3. **Manipal Hospital, Bangalore**
4. **Academy of International Education (AIE), Goa**
5. **Skyline Business School, Delhi**
6. **Institute of Ophthalmology, TELC Joseph Eye Hospital, Tiruchirapalli and abroad in association with :-**
7. **VMC Corporation Sdn. Bh.d. Malaysia**
8. **Al Ghurair Academy, Dubai**
9. **EVolution Info Tech Middle East., Al Rusayl Sultanate of Oman**

In view to export Indian education abroad, the Hon'ble Members, while appreciating the MAHE move to go abroad to Malaysia, Dubai and Oman also found the agreement between MAHE and VMC Corporation Sdn. Bh.d. Malaysia; Al Ghurair Academy, Dubai; EVolution Info Tech Middle East., Al Rusayl Sultanate of Oman - in order. It was, therefore, **DECIDED** that MAHE be permitted to open its campuses abroad at Malaysia, Dubai and Oman.

The Hon'ble Commission, after having examined the Agreement with the other associations, schools, foundations, etc. for opening their multi-campus in India could not actually satisfy itself about the academic/administrative control of MAHE on these proposed multi-campus in India. It virtually sounded like a partnership programme and did not reflect its true spirit to open a virtual multi-campus in India. As such, the Hon'ble Commission DECIDED not to approve the proposals for Surat, Satna, Goa, Delhi and Tiruchirapalli.

The Commission also examined MAHE's proposal to open a Medical multi-campus in Bangalore at its own establishment at the Manipal Hospital, Bangalore. This was found in order.

It was RESOLVED

- That MAHE – Deemed University be permitted to open its foreign campuses at Malaysia, Dubai and Oman.
- That MAHE be permitted to open Medical multi-campus at its own Manipal Hospital at Bangalore.
- That MAHE be not permitted to open the multi-campus in India in association with Society, School, Institute and Foundation – at Surat, Satna, Goa, Delhi and Tiruchirapalli.

Yours faithfully,

Subject: Proposal to rename the Institutions started without the approval of UGC as schools and merge these Institutions with the constituents units approved by the Government of India, MHRD.

Sir,

This has reference to your letter No. MU/VC/GOI/12 dated 17.09.2012 addressed to The Secretary, MHRD and forwarded to the UGC by the Government of India, MHRD vide letter No. F. 10-8/2012-U.3(A) dated 22.11.2012 regarding renaming of the institutions started by the Deemed to be University without the approval of UGC as Schools and merge these institutions with the MHRD approved constituent units of the deemed to be university. The proposal was considered by the Commission at its 492nd meeting (Item No. 5.05) held on 11th March, 2013. The Commission resolved as under:-

"The Commission deliberated on the proposal regarding the request of MAHE, an Institution deemed to be university with regard to renaming of the Institutions started by it, without approval of the UGC, as schools and merge these institutions in its approved constituent units. The Commission noted that during the course of the review in 2009 it was found that MAHE had started the following constituent units without the approval of the UGC:-

- a. Manipal Institute of Management, Manipal (1999)
- b. Manipal Institute of Jewellery Management, Manipal (2005)
- c. Manipal Institute of Communication, Manipal (1994)
- d. Manipal Center for Information Science, Manipal (1998)
- e. Manipal College of Allied Health Sciences, Manipal (1998)
- f. KMC International Center, Manipal (2005)
- g. Manipal Institute of Regenerative Medicine, Bangalore (2007)
- h. Manipal College of Nursing, Mangalore. (2007)

MAHE has now proposed to rename the above institutions (except the institution at (f) above) as under:-

- a. School of Management, Manipal Institute of Technology, Manipal
- b. School of Jewellery Management, Manipal Institute of Technology, Manipal
- c. School of Communication, Manipal Institute of Technology, Manipal
- d. School of Information Science, Manipal Institute of Technology, Manipal
- e. School of Allied Health Sciences, Kasturba Medical College, Manipal
- f. Institution closed
- g. School of Regenerative Medicine, Manipal Multi Campus at Manipal Hospital, Bangalore
- h. School of Nursing, Kasturba Medical College, Mangalore.

The Commission took serious note of the lapse on the part of MAHE. However, from records made available in UGC, it was gathered that the institution deemed to be university (MAHE) was already granted approval for conducting the courses by the institutions mentioned at (a), (c), (d) and (e) above in 2004. Accordingly, the Commission approved the renaming of these institutions by MAHE. Further, in respect of the institutions mentioned at (g) and (h), permission was sought from UGC by MAHE but was not accorded. The Commission, however, approved the renaming of these institutions by MAHE keeping in view the nature of the courses conducted by these two institutions.

The Commission, however, rejected the proposal of the MAHE with regard to the Institute of Jewellery Management.

NOTIFICATION

It has been decided that whereas there may be no objection to the use of the word 'University' by institutions deemed to be university, it will, however, be necessary, for the general information of the public, that universities created under executive charter are distinguished from universities established by the legislature. It has, therefore, been decided that all the universities whether Central, State or Deemed, must mandatorily distinguish themselves by incorporating the appropriate information under their name / nomenclature in the following format:

(i) For Institutions Deemed University: (established under Section 3 of the UGC Act, 1956 vide Notification No. of the Government of India) (ii) For Central or State Universities:- (established by State legislature / Parliament by notification No. of year.....)

D.O. No.F. 6-1(11)/2006(CPP-1)

July, 2006

11 5 JUL 2006

Dear Sir/Madam,

The issue regarding starting courses of study leading to award of degrees as specified and notified u/s 22 of the UGC Act, 1956 has been under the active consideration of the UGC for quite some time.

On careful consideration, it has been decided that Institutions Deemed to be Universities will be empowered to start degree courses such as B.A., B.Sc. M.A., M.Com, M.Sc. etc. as specified and notified u/s 22 of the UGC Act, 1956, covered under general education in sciences, social sciences and humanities (i.e. excluding professional courses), without any prior approval of the Commission, provided that such general courses of study are offered by them on a regular basis through class-room teaching at their approved campuses and are not offered through distance mode; and further subject to the condition that Institutions Deemed to be Universities follow the UGC Regulations issued from time to time in this regard. In other words, it is hereby clarified that for the purposes of offering general courses in sciences, social sciences and humanities, Institutions Deemed to be Universities are at par with the State and Central Universities mentioned in section 2(f) of the UGC Act, 1956 and, no prior approval of the Commission would be mandatory to start such general courses.

It has further been decided that subject to the provisions of any Act governing the respective Statutory Councils, in respect of professional courses offered by Institutions Deemed to be Universities through the conventional class-room mode at their approved Campuses, although no prior approval would be required to be taken by the Institutions deemed to be University to start new courses as are related or allied to courses already on offer, yet, the Institutes will be required to maintain the norms and standards laid down by the respective professional/statutory councils which shall be open for verification by the UGC and the appropriate Council, as the case may be, in terms of the notification of Central Government No.2-1/2006 U.3(A) dated 5th April, 2006 (copy enclosed for ready reference).

Sub: Continuance of recognition of MBBS degree granted by Manipal University in respect of students being trained at Kasturba Medical College, Manipal.

Sir,

I am directed to inform you that the Board of Governors, noted the Council letter dated 01.10.2009 conveying therein the decision of the Council to submit the compliance within 2 month on rectification of the deficiencies pointed out in the Council Inspection report 7th & 8th May, 2009. The Board of Governors further noted that the Central Govt. letter No. F.U.12012/379/2006-ME(P-ii), dated 14.07.2010 informing therein that the Ministry has received a copy of order dated 11.06.2010 in W.P. No. 13319/2008(Edn) filed by Manipal University Vs. Union of India and others in the Hon'ble High court of Karnataka at Bangalore. In the letter under reference the Ministry has further stated that as per the order, the Hon'ble High Court has recorded that the judgement was reserved but in view of the time schedule and interlocutory application filed by the petitioners, the Hon'ble High Court has continued the interim order passed on earlier occasion even for the current academic year. Accordingly the Kasturba Medical College, Manipal are permitted to admit MBBS students to the full extent i.e 500 and NRI quota for this year is fixed as 15%. Accordingly, the assessment of your college was carried out on 29th & 30th Sept, 2010.

The Board of Governors, on consideration of the assessment report (29th & 30th Sept., 2010) has decided that the recognition of MBBS degree granted by Manipal University in respect of students being trained at Kasturba Medical College, Manipal be continued restricting the number of admissions to 250 (Two hundred and fifty) students per year, subject to outcome of the writ petition pending in the Hon'ble High Court.

It is further to inform you that your institution are fully responsible to fulfill and maintain norms including the infrastructure both physical and human resource, teaching faculty and clinical material etc. throughout, as stipulated in Regulation of Medical Council of India. In case false/wrong declaration or fabricated documents have been used for procuring the approval of Continuation of recognition of the Board of Governors and the said misconduct is brought to notice or comes to the knowledge of MCI at any stage, your institution is not liable to be considered for approval of continuation of recognition with the annual intake capacity of 250 students and this approval is also liable to be revoked.

Yours faithfully,

Sub: Restoration of seats in MD(Dermatology) & DDVL courses at Kasturba Medical College, Manipal under Manipal University, Mangalore - Reg.

Sir,

It is stated that the representation along with assessor report (December, 2010) on the assessment for physical and other teaching facilities available at Kasturba Medical College, Manipal for restoration of seats in MD(Dermatology) & DDVL courses granted by Manipal University, Mangalore was considered by the Board of Governors and it was decided as under:-

"The Board of Governors considered the assessment report and the recommendation of the Postgraduate Committee and decided that the request of the institute was for restoration of seats as well as increase of seats while the Postgraduate Committee at its earlier meeting held on 22.02.2011 considered the matter for increase of seats only and decided to recommend to the Board of Governors not to issue Letter of Intent due to available facilities and the matter now is consideration of restoration of seats in MD(Dermatology) & DDVL. The Board of Governors decided to restore the existing seats i.e. 2(Two) seats each for Degree and Diploma course per year prospectively.

Two copies of Inspection report are enclosed herewith.

Sir/Madam,

I am directed to refer your proposal for Increase of seats in MS(General Surgery) course at Kasturba Medical College, Manipal under Manipal University, Karnataka u/s 10 A of the I.M.C Act. 1956.

It is to inform that after careful consideration of the scheme and the Council Assessor's report (March, 2012) on the physical and other teaching facilities available at Kasturba Medical College, Manipal for Increase of seats in MS(General Surgery) course under the Manipal University, Karnataka u/s 10(A) of the IMC Act 1956, the Board of Governors decided Not to Issue Letter of Intent in view of the following:-

- Not approved for increase of seats in MS(General Surgery) course because :
- (i) The hospital does only 7 major cases/day and 14 minor cases/day which is less than previous inspection done in 2011 (where it was 19 major surgeries per day hence no increase in seats for MS(General Surgery) are Approved.

Sub: Continuance of recognition of MBBS degree granted by Manipal University in respect of students being trained at Kasturba Medical College, Mangalore.

Sir,

I am directed to inform you that the compliance verification assessment of your college was carried out on 23rd & 24th Aug., 2010. The Board of Governors, noted the Council's earlier decision taken by the Executive Committee at its meeting held on 29.03.2007 & 25.09.2009 to recommend to the Central Govt. to withdraw the recognition of MBBS degree granted by the institute under MAHE University, Manipal.

The Board of Governors further noted that the Central Govt. letter No. F.U.12012/379/2006-ME(P-ii), dated 14.07.2010 informing therein that the Ministry has received a copy of order dated 11.06.2010 in W.P. No. 13319/2008(Edn) filed by Manipal University Vs. Union of India and others in the Hon'ble High court of Karnataka at Bangalore. In the letter under reference the Ministry has further stated that as per the order, the Hon'ble High Court has recorded that the judgement was reserved but in view of the time schedule and interlocutory application filed by the petitioners, the Hon'ble High Court has continued the interim order passed on earlier occasion even for the current academic year. Accordingly the Kasturba Medical College, Mangalore/Manipal are permitted to admit MBBS students to the full extent i.e 500 and NRI quota for this year is fixed as 15%.

The Board of Governors, on consideration of the assessment report (23rd & 24th Aug., 2010) has decided that the recognition of MBBS degree granted by Manipal University in respect of students being trained at Kasturba Medical College, Mangalore be continued restricting the number of admissions to 250 (Two hundred and fifty) students per year, subject to outcome of the writ petition pending in the Hon'ble High Court.

It is further to inform you that your institution are fully responsible to fulfill and maintain norms including the infrastructure both physical and human resource, teaching faculty and clinical material etc. throughout, as stipulated in Regulation of Medical Council of India. In case false/wrong declaration or fabricated documents have been used for procuring the approval of Continuation of recognition of the Board of Governors and the said misconduct is brought to notice or comes to the knowledge of MCI at any stage, your institution is not liable to be considered for approval of continuation of recognition with the annual intake capacity of 250 students and this approval is also liable to be revoked.

Yours faithfully,

Sub: B.Sc. in Nuclear Medicine Technology and Diploma in Nuclear Medicine Technology

Dear Sir,

- This has reference to our visit to your institution regarding the approval of the nuclear medicine technology course conducted at your institution.
- The Safety Review Committee for Application of Radiation (SARCAR) has considered your request along with report of the inspection team and recommended following for compliance by MAHE, Manipal:
 - The minimum qualification for admission to the B.Sc. in nuclear medicine technology B.Sc. (NMT) shall be 10+2 with physics and mathematics, at least, up to 10+2 level and other terms and conditions stipulated by the affiliating university. After completion of three year B.Sc. (NMT), MAHE may issue degree certificate to the successful candidates.
 - The one-year internship could be converted into the Diploma in Nuclear Medicine Technology (DNMT) with the uniform syllabus for all universities recommended by AERB.
 - The syllabus, infrastructure required for conducting the practical training, minimum number of teaching staff, and mode of examination on radiation safety aspects etc. would be communicated to you by AERB in due course.
 - AERB/RP&AD, BARC, will be associated with setting of the examination papers, evaluation, and viva-voce.
 - The successful candidates would be eligible for nomination as RSO Level-II in nuclear medicine diagnosis. They are also eligible to appear M.Sc. in nuclear medicine.
- The Atomic Energy Regulatory Board has no objection for conducting the above course from this academic year subject to fulfilling the above requirement, as applicable.

Yours faithfully,

(A.R. Sundararajan)

Dear Sir,

1. This is in continuation to my earlier letter AERB/443/MAHE/NM/2002/4207 dated May 17, 2002 regarding the recognition of the above degree course at your institute.
2. The Safety Review Committee for Applications of Radiation (SARCAR) has now finalised the syllabus of the three year degree (nuclear medicine technology) in line with that of DMRIT course of BARC. The minimum course content recommended by the SARCAR is enclosed herewith. MAHE, Manipal should incorporate this minimum course content in its syllabus of the entire curriculum and send us a copy of the same for record, after duly approved by the academic council of the deemed University.
3. MAHE, Manipal should strictly adhere to our earlier letter regarding the admission, examination and evaluation etc. We request you to send us a line confirmation on the implementation of the above syllabus in your curriculum.

Thanking you,

Yours faithfully,

(A.R. Sundararajan)

Sub: B.Sc Medical Radiotherapy Technology (B.Sc MRT) course

This has reference to your letter dated 25/07/2012 and subsequent receipt of your letter on 20/09/2012 enclosing the course performa AERB/RSD/RTT-course for assessment of suitability of your proposed course B.Sc Medical Radiotherapy Technology (B.Sc MRT) in line with AERB requirements.

We understand that the syllabus pertaining to radiation safety aspects prescribed by AERB has been incorporated and the basic entry level qualification meets requirements of AERB. Further, the course is affiliated to Manipal University, Manipal. Therefore, AERB will have no objection if after successful completion of the above course the candidates are employed as Radiotherapy Technologists in India subject to the following:

1. Manipal University, Manipal agrees to revise the syllabus, entry level qualification and duration of the programme which may be recommended by AERB from time to time for strengthening radiation safety.

It may be noted that, the syllabus prescribed by AERB is minimum for the radiation safety view point, the complete syllabus as deemed fit must be incorporated by the university/board for the Radiotherapy Technologist course.

Sub: Extension of Approval to Manipal School of Architecture & Planning, Manipal (Karnataka), to conduct of 3 year Part-time Executive Master of Architecture (Advanced Design) degree Course, from the Academic Session - 2013-2014.

Dear Sir,

I am directed to state that the Executive Committee of the Council of Architecture (CoA) at its 123rd Meeting held on 13th May 2013, considered the report of the Expert Committee that visited the KA02-Manipal School of Architecture & Planning, Manipal (Karnataka), on March 30 & 31, 2013 (copy enclosed), for Extension of Approval of 3 year Part-time Executive Master of Architecture (Advanced Design) & 2 year full-time M.Arch.(Advance Design) degree Courses from the Academic Session - 2013-2014.

2. The Executive Committee after detailed discussions decided to grant extension of approval of 3 year Part-time Executive Master of Architecture (Advanced Design) degree Course with an intake of 20 from the academic session 2013-2014, for a period of five years, subject to recruitment of full-time faculty/fulfillment of conditions/suggestions as contained in the report of the Expert Committee and / or prescribed by the Council and submission of compliance report of the same within 3 months. The admission of students for the academic session 2013-2014 be made only after the recruitment of requisite faculty as per norms of COA & the list of faculty appointed be sent to the Council for record.

3. Further, the Executive Committee *rejected* the extension of approval of 2 year full-time Master of Architecture (Advance Design) degree Course due to lack of faculty members and academic & physical infrastructure facilities.

4. Accordingly, the Executive Committee is pleased to accord *recognition/extension of approval* to your institution as details given below:

NAME OF THE COURSE	DURATION	LEVEL OF COURSE	PERIOD OF APPROVAL WITH INTAKE
Executive Master of Architecture (Advanced Design)	Three Year Part-time	Post Graduate Degree Course	20 2013-2014, 2014-2015, 2015-2016, 2016-2017 & 2017-2018

5. The institution should initiate necessary remedial actions based on the enclosed inspection report and send its observations on the same, if any, for further consideration of the Executive Committee.

6. The Experts Committee of the Council may visit your premises, if found necessary, to ascertain the facts that the said course is imparted as per the Rules/Regulations/Guidelines prescribed by CoA, from time to time, under the Architects Act, 1972.

7. **Space & Building:** The post graduate Department / Institution of Architecture should be located in a building / campus to have a floor area of about 250 sq.m. per post graduate course per shift. The physical space should include separate studios, computer centres, lecture rooms, faculty rooms and laboratories as required for the post graduate course. It is desirable to provide hostel accommodation and residential accommodation for staff and students in close proximity of the institutions. Hostel accommodation for students must be adequate for their academic needs. This factor should be borne in mind in the design of hostel rooms and studios.
