

PRASANNA SCHOOL OF PUBLIC HEALTH

MANIPAL

(A constituent unit of MAHE, Manipal)

CERTIFICATE COURSE IN QUALITATIVE RESEARCH METHODS

September to November, 2022

Transdisciplinary Centre for Qualitative Methods(TCQM)

Department of Health Information

Prasanna School of Public Health (PSPH)

Manipal Academy of Higher Education (MAHE), Manipal, Karnataka, India

About TCQM:

Transdisciplinary Centre for Qualitative Methods (TCQM) under, Prasanna School of Public Health (PSPH), Manipal Academy of Higher Education and the Utrecht University, The Netherlands, will aim to meet this need by serving as a regional hub for capacity building in qualitative methods in South Asia. The centre will educate, facilitate and promote trans-disciplinary qualitative research for a comprehensive understanding of the issues pertaining to public health. The Center is led by Prof. Ajay Bailey and highly qualified research staff.

Course Description:

This course provides a rich and in-depth understanding of qualitative research in scientific research. This course helps the researcher select the most appropriate methods to answer the particular research question. By end of the course you will be able to grasp the skills required to conduct in-depth interviews, facilitate focus groups, and undertake observation and/or ethnographic research. This course enables to analyze qualitative data through qualitative software(Atlas-ti) and develop explanation.

Who can attend?

Faculty, Researchers, Graduates, Postgraduates, PhD scholars & Post-Doctorates.

To Apply:

Please submit your resume and motivational letter to tcqm.mu@manipal.edu on or before 25th August, 2022.

Course Requirements:
