

Before arrival

✓ **What are the things that I need to do before arrival?**

Some of the key things that you need to complete/do before arrival at the institution are the following:

- Get in touch with the Elective Director and take instructions from him/her. If there is any pre-elective course work please ensure that the same is completed.
- Get the travel documents including the proper visa (refer to section on visa).
- Complete the payment of elective fee (refer to section on fees).
- Confirm accommodation arrangements.

✓ **Do I need to purchase malpractice insurance?**

No, it is not a mandatory requirement from the institution.

✓ **Do I need to purchase health insurance?**

During your elective period you would be covered by the institution's health insurance policy (Medicare)
