

Inaugural ATLS Course @Manipal Academy of Higher Education, Manipal

The inaugural ATLS course was successfully conducted at Manipal Academy of Higher Education from 2nd to 4th December 2021. The ATLS India Chair, Prof Dr M C Misra (Ex Director AIIMS) along with stalwarts from KGMU Lucknow Prof Dr Vinod Jain and Prof Dr Samir Misra were the invited faculty members for the program. The visionary leadership of Prof Dr Sharath Kumar Rao, Dean, KMC Manipal was instrumental in the process of MAHE being an elite ATLS training site in India. Dr Vimal Krishnan S, MAHE-ATLS site-in-charge, along with Dr Freston Marc Sirur and Dr Nisarg S, faculty from KMC Manipal completed the ATLS faculty core for the inaugural course. The course coordinator was Ms Tara K, Medical Simulation Centre, KMC Manipal along with the support staff Ms Veena and Ms Soumya from the Medical Simulation Centre, KMC Manipal. Prof M C Misra was ecstatic that MAHE is finally a coveted ATLS training Centre battling all odds against the COVID-19 pandemic and claimed that this site has the potential to be one of the best training site in the country. The process of initiating ATLS at MAHE had begun in the last quarter of 2019 and Prof Misra expressed immense satisfaction with the impeccable conduct of the inaugural ATLS course at Manipal. Prof Vinod Jain and Prof Samir Misra were impressed with the training facility and the repertoire of training courses offered by the Medical Simulation Centre and expressed delight in being a part of the inaugural course. Prof Dr Veena Kamath, Chief Coordinator, Medical Simulation Centre, KMC Manipal also joined the dignitaries for the inauguration and reiterated the need for high quality training programs to be a regular feature for the Medical Simulation Centre.
