**Basic Microscopy and Parasitology Laboratory Training:** A collaborative Workshop was organized between Parasitology division of department of Microbiology, KMC, Manipal, JIPMER Puducherry and Médecins Sans Frontières (MSF) International was conducted in January 2021 as a part of the Global Health and Humanitarian Medicine (GHHM) course to address the need for a low-cost, part-time programme for mid-career doctors. The programme aims to provide high quality training in tropical medicine and public health in order to improve patient and programmatic care in areas where it is needed most.

# Anaerobic bacteriology division, KMC, Manipal
