Supported by

From the Makers of

In continuation with the webinar series Department of ophthalmology Kasturba Medical College and Kasturba hospital Manipal, MAHE Manipal in association with the OEU alumni MAHE Manipal conducted a Webinar “*Endoph Matters*” and an intercollegiate postgraduate debate on **3rd of September 2021**. Endophthalmitis is a rare but sight threatening ocular condition which can be Exogenous or Endogenous. The webinar was mainly aimed at understanding the current concepts in the prevention and management of endophthalmitis.

Dr.Sulatha Bhandary, Professor and Head of the Department of Ophthalmology KMC Manipal welcomed the delegates, gave an overview of the program and introduced the speakers .She also unveiled the design of the rolling trophy from the OEU alumni association which will be presented to the winning debater’s institution. **Dr. Shailaja S**, Vitreoretina consultant, Associate Professor of Ophthalmology KMC Manipal who was the Moderator and Organizing Secretary of the event, conducted a very interesting debate for the postgraduate students on 3 retina topics. Six postgraduates from the neighboring Medical Colleges took part in the debate. **Dr. Veerabhadra N Rao** and **Dr. Anshu Arora** were the judges for the debate. The overall winner of the debate was Dr. Nikhil G, Final year Postgraduate student from KMC, Manipal.

Dr.Muna Bhende, Senior Vitreoretina Consultatnt at Sankara Netralaya Chennai and Adjunct faculty of KMC,Manipal delivered a very informative lecture on ‘Postoperative Endophthalmitis’. **Dr. Swyakshar S Pal**, Vitreoretina consultant from Kolkota and an alumni of OEU was another resource person and he spoke about Postoerative Endophthalmitis. **Dr Alisha Kulkarni**, Final year postgraduate student, Department of ophthalmology KMC Manipal presented a case series of Endogenous endophthalmitis treated at KMC Manipal. Post Covid endogenous endophthalmitis case series of KMC Manipal were presented by **Dr. Joy Bhatt**, second year postgraduate student from KMC Manipal. **Dr. N. Chandrashekhar, Dr. Krishna Rao A** and **Dr. Muralidhar Verma** from the Department of Infectious Disease were the panelists .The webinar was well attended by delegates and postgraduates.
