***Greetings from The Department of Public Health Dentistry,
MCOADS, Mangalore!!***

It gives us immense pleasure in releasing Communiqué, the newsletter of Manipal College of Dental Sciences, Mangalore. Since its inception, the Department of Public Health Dentistry was headed by many stalwarts in the discipline. I am humbled and deem it a privilege to be part of such an elite group.

I would like to thank my colleagues Dr. Ashwini Rao, Dr. Mithun Pai BH, Dr. Praveen Jodalli, Dr. Avinash BR, Dr. Aparna KS and Dr Navya K and post graduates for all their help and valuable inputs. The current issue of Communiqué will highlight various events held in our institution and the laurels achieved by our faculty members and students.

Dr. Ramya Shenoy,
Professor & Head (In-charge)

ALUMNI FEATURE

Dr. Gurvinder Kaur graduated from **MCOADS, Mangalore** in **2007** and went on to complete **MDS in Pedodontics and Preventive Dentistry** at **JSS Dental College and Hospital, Mysore**.

She held a full-time faculty position in the Department of Pedodontics and Preventive Dentistry at **SGT University, Gurugram** for over 2 years and was actively involved in undergraduate and postgraduate clinical and didactic training and research projects. She practiced pediatric dentistry in hospital and private practice settings in India for 8 years. Dr. Kaur moved to the **US** for a **pediatric dentistry residency at Rutgers School of Dental Medicine** and completed a **Master's degree in Dental Science** there. She completed a research project comparing treatment outcomes in healthy children vs. children with special health care needs treated under general anesthesia at the University Hospital at Rutgers.

She is currently an **associate at a pediatric dentistry group practice in Virginia**. Dr. Kaur was recently awarded the **Richard C Pugh award**. This award was presented by the American Board of Pediatric Dentistry for exemplary achievement on the May 2021 Qualifying Examination and awarded to the top 3% scores nationwide.

She is an active member of the American Association of Pediatric Dentistry and a life member of the Indian Association of Pedodontics and Preventive Dentistry.

She believes striking a good balance between academics and health- mental and physical is needed in dental school and beyond. Her message to dental students would be –you all will be great!! Trust the process, never stop learning, and master the art of communication.

ALUMNI ACHIEVEMENTS

Dr. Subhathira R, an alumna of the **batch 2011** was nominated for the category **“Budding dentist of the year”** by Famdent excellence in dental awards 2022. She also received **Special Jury award- Best PG of the year** by FEDA in 2021.

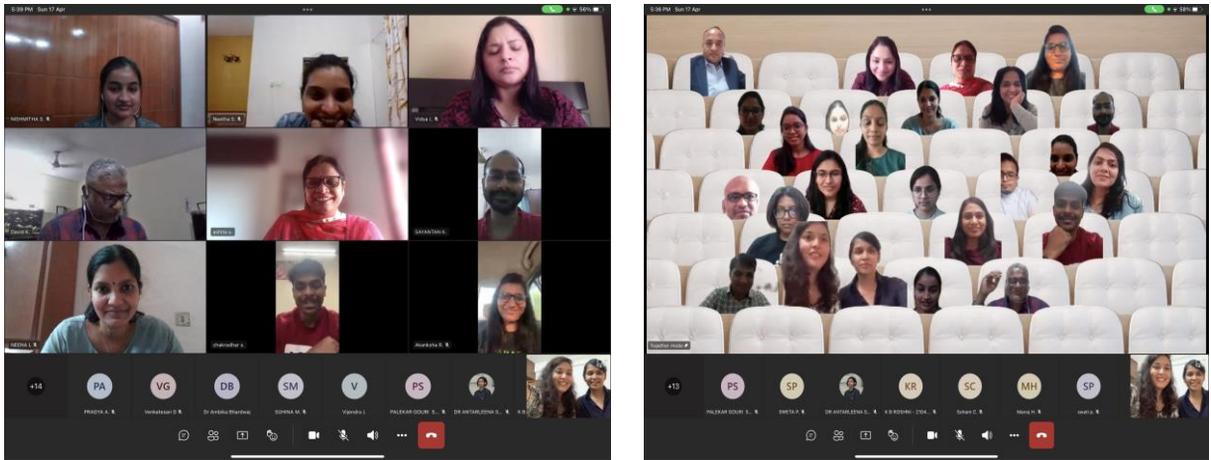

Dr. Utkarsh Mangal, an alumni of the **batch 2014** (**Ortho PG** alumni) finished his **PhD** on the topic **“Changes in Tribo-mechanical properties and bacterial resistance of Poly methyl methacrylate for 3-D printed Intra-oral appliances by incorporating nano diamonds”** from **Yonsei University, Seoul, South Korea**.

Dr. Priya Ahlawat, an alumna of the **batch 1991** has been elected **Governor** of the **Pacific Central District Optimist (PCD) district** in US. She was a **Co-host chair** of **Optimist International Convention, Reno 2022**.

Dr. Simarpreet Singh, **BDS Alumni** of **MCOADS Mangalore (1995-2000)** and a **Public Health Dentist**, has graduated with **DDS** from the **School of Dentistry, University of California San Francisco (UCSF), San Francisco, USA**.

ALUMNI REUNION

The very first **Alumni Meet** of the **Department of Periodontology**, MCOADS, Mangalore was conducted online through Microsoft teams on the 17th of April 2022 at 5 pm.

Planning for a virtual Alumni meet started 4 months back. All the alumni were contacted and told in advance about the virtual meeting. A total of 14 alumni from India and abroad attended the meeting along with 9 of our present Postgraduates.

Pro VC Dr Dilip Nayak, Mangalore campus and Dean, **Dr Ashita Uppoor** who are part of the department also were present for the meeting. The meeting started with the welcome note by Head of Department, **Dr Neetha Shetty**. All alumni, staff and present post graduates introduced themselves. Various alumni shared their experiences they had at MCOADS and also their present clinical experience and ways in which MCOADS shaped their careers.

A video presentation showing various memories of the post graduates, staff and the department was played.

The proposal of having an offline meet next time was discussed by all the attendees

The meeting ended with a thank you note by **Dr Deepa Kamath**.

ALUMNI REUNION

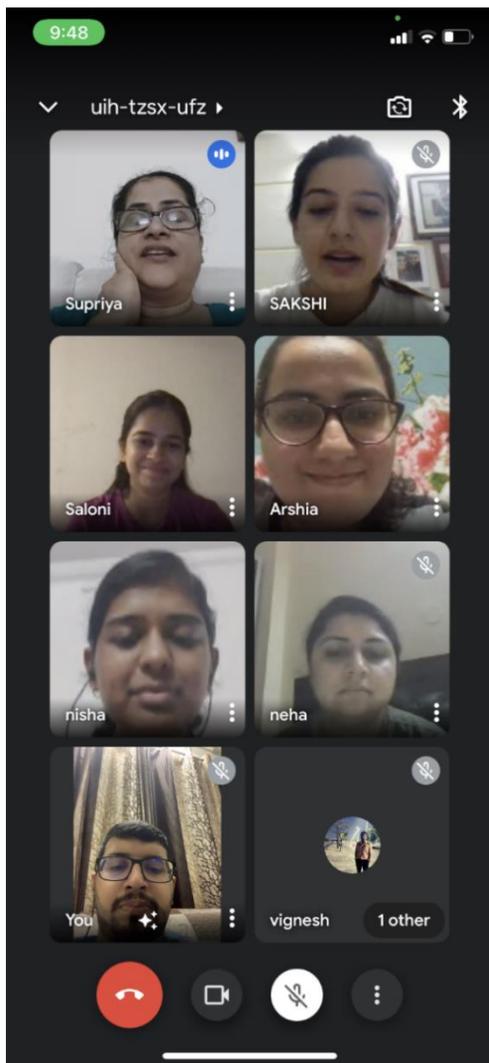

The **Department of Orthodontics** organized a CDE program and Alumni Reunion on 29th April 2022 by **Dr. Shivani Keni**, Alumna Batch of 2016. Dr. Shivani Keni spoke on MARPE, a contemporary topic of interest in Orthodontics. The talk and alumni reunion was held at Hotel Pallki Roof Top in Mangalore.

The event was attended by senior alumni, Department faculty, Dean and Associate Deans and the Alumni coordinator of MCOADS, Mangalore. The talk was followed by dinner.

Felicitation of EC Members

Senior alumni who are members of Executive Committee of Indian Orthodontic Society, **Dr. Siddarth Shetty**, **Dr. Rajaganesh Gautam** and **Dr. Digvijay Patil** were felicitated by former teachers **Dr. Subraya Mogra** and **Dr. Surendra Shetty**.

ALUMNI MENTOR- MENTEE PROGRAM 2022

The **Department of Orthodontics** conducted an online **Alumni Mentor Mentee** program on 14 June 2022. The program was conducted to introduce the newly joined postgraduates to the senior alumni. This program also is an informal online reunion of all the alumni.

The new alumni introduced themselves briefly and had an opportunity to discuss about career prospects and further studies with the senior alumni. **Dr. Neha Khanna** (Batch of 2010) spoke about prospects in academics vs clinical practice. The program was useful to all the alumni.

Spotlight

The Department of Public Health Dentistry was established in the year 1987, while the postgraduate program was initiated in 2011. The Faculty members of the department are actively involved in teaching, patient care, research, and community outreach activities. They have been successful in obtaining research grants, research awards, scientific publications in National and International Journals and have authored textbooks including the 7th edition of Essentials of Public Health Dentistry.

The teaching program of Public Health Dentistry for undergraduate and postgraduate learning is dynamic, innovative and interactive. The students are encouraged to participate in field work, professional conferences and they have undertaken numerous research activities.
