Theme ► Roadmap for Quality Pharmacy Education and Research

Association of Pharmaceutical Teachers of India (APTI)

APTI is an association founded by eminent pharmaceutical scientists and teachers like Prof. M L Shroff and Prof. G P Srivastava among others. It has over the years achieved its prime aim, which is providing a forum for interaction among pharmacy teachers of the country. The association has succeeded in raising the standard of pharmacy education in the country through interaction and exchange of ideas. To cope with the advances in technology, teachers must be equipped with knowledge and competence. The APTI is playing a stellar role in spreading the awareness among the pharmacy teacher fraternity by conducting conventions and seminars.

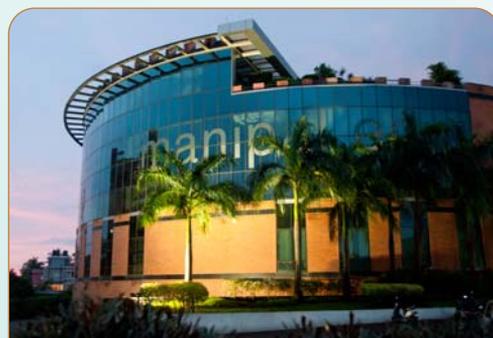

APTI is celebrating its 50 glorious years at the 21st National Convention at Manipal in October 2016.

Manipal University

Manipal University was founded on one principle; one unshakeable belief - that it must make available the best of education to its students. The last six decades, have seen institutes at Manipal taking meticulous, small steps to build reservoirs of intellectual wealth and academic excellence.

In the process, Manipal University has created some of the country's best institutes across diverse streams like medicine, dentistry, engineering, pharmacy, hotel management and communication.

Each institution at Manipal University is geared to meet the same demanding standards to create great professionals and citizens by inspiring them in many ways.

Manipal College of Pharmaceutical Sciences (MCOPS)

This 53-year old institution, is a behemoth among the colleges offering programmes in pharmaceutical sciences in the country. The growth of the institution has been spectacular, thanks to the benevolent management, dedicated faculty, supporting staff and enterprising students.

MCOPS attracts meritorious students from across the length and breadth of India and from abroad. MCOPS is known for quality in academics, research and extracurricular activities.

At MCOPS learning is facilitated through conduct of workshops, conferences, symposiums and seminars. MCOPS has been the launching pad for a large number of highly successful pharmaceutical scientists, entrepreneurs and academicians. The institution continues on its onward journey, true to its slogan- Marching with the Times.
