About Manipal University

Manipal University is synonymous with excellence in higher education. Over 28,000 students from 57 different nations live, learn and play in the sprawling University town, nestled on a plateau in Karnataka's Udupi district. It also has nearly 2500 faculty and almost 10000 other support and service staff, who cater to the various professional institutions in health sciences, engineering, communication and humanities, management which dot the Wi-Fi-enabled campus. The University has off-campus in Mangalore and Bangalore, and off-shore campuses in Dubai(UAE) and Melaka (Malaysia). Every institute has world class facilities and pedagogy, which are constantly reviewed and upgraded to reflect the latest trends and developments in higher education.

About MCOPS

This 53-year old institution, is a behemoth among colleges those offering programmes in pharmaceutical sciences in the country. The growth of the institution has been spectacular, thanks to the benevolent management, dedicated faculty, supporting staff and enterprising students.

MCOPS attracts meritorious students from across the length and breadth of India and from abroad. MCOPS is known for quality in academics, research and extracurricular activities.

At MCOPS learning is facilitated through conduct of workshops, conferences, symposiums and seminars. MCOPS has been the launching pad for a large number of highly successful pharmaceutical scientists, entrepreneurs and academicians. The institution continues on its onward journey, true to its slogan- Marching with the Times.

About Department of Pharmacy Practice

The Department of Pharmacy Practice was established in 2001. The department provides clinical pharmacy training to its students and services to health care providers at the Kasturba hospital. Most of the faculty members are trained at various universities and hospitals in USA, Canada and Sweden. The department has expertise in diverse areas such as Medication review, Patient safety programs, Pharmacometrics, Toxicology consultations, Antibiotic stewardship, Assessment of evidence for therapeutics etc.

Call for Abstracts

Participants are invited to present their original research work during the conference.

- Abstract text should not be more than 300 words
- Abstract include title, authors with affiliations, objectives, methodology, results and conclusion.

Best papers from poster and podium presentation will be selected for award.

Three best abstracts based on the reviewers scoring will be awarded a grant of INR 5000/-. Awardees will be notified during the valedictory function of CPCON 2017.

Oral presentation is for 9 minutes (7 minutes for presentation and 2 minutes for discussion)
