Diamond Jubilee Celebrations
Manipal College of Pharmaceutical Sciences is celebrating its Diamond Jubilee, marking 60 years of excellence in pharmaceutical education and research. Founded in 1963, it has been a beacon of knowledge and research, producing skilled pharmacists and healthcare leaders. The celebration is a tribute to the unwavering dedication of staff, students, and alumni who have contributed to the college's success. This occasion will feature academic discussions, cultural events, sports events and a reaffirmation of the college's mission to serve global healthcare needs. This jubilee is a testament to the enduring commitment of the college to advancing pharmaceutical education and research and to unwavering dedication to nurturing future leaders in the field.
