DIAMOND JUBILEE Celebrations

About MCOPS

Among the colleges that offer professional pharmacy education in India, Manipal College of Pharmaceutical Sciences, popular as MCOPS has its unique position. It is presently one of the premier institutions of the Manipal Academy of Higher Education. Manipal College of Pharmaceutical Sciences (MCOPS) has found its name in the top 101-150 colleges in the QS World University ranking in the Pharmacy and Pharmacology category.

MCOPS of today owes its origin to the vision and enterprise of Late Padmashri Dr. TMA Pai, who ushered in an era of self-financed education, an event that changed the Indian landscape of education. A college that started offering a Diploma in Pharmacy (DPharm) education in 1963, became a degree college for a Bachelor of Pharmacy (BPharm) program in 1965. Eventually, MCOPS became the first college to offer postgraduate course (MPharm) in Karnataka in 1970 and the Doctor of Pharmacy (PharmD) program in 2008 in India. Presently, MCOPS offers all academic programs in Pharmacy disciplines such as DPharm, BPharm, MPharm, PharmD, PharmD (Post Baccalaureate), and PhD.

A highly qualified faculty with 68 full-time members are engaged in teaching and research. The faculty-student ratio is an enviable 1:12, which is better than the stipulated requirement. More than 95% of the teachers hold doctorate degree and the rest are currently working towards acquiring a PhD.

Manipal College of Pharmaceutical Sciences (MCOPS), MAHE Manipal established in the year 1963 is celebrating its Diamond Jubilee in 2023. A Year long celebration is being planned. The events that are planned include industry conclave, public events, sports and cultural activities, community activities, guest lectures by eminent experts/alumni from academia, industries, etc.

About MAHE

Manipal Academy of Higher Education is synonymous with excellence in higher education. Over 28,000 students from 57 different nations live, learn and play in the sprawling University town, nestled on a plateau in Karnataka's Udupi district. It also has nearly 2500 faculty and almost 10000 other support and service staff, who cater to the various professional institutions in health sciences, engineering, management, communication, and humanities which dot the Wi-Fi-enabled campus. The University has off-campus in Mangalore, Bangalore and Jamshedpur and off-shore campuses in Dubai (UAE) and Melaka (Malaysia). The Mangalore campus offers medical, dental, and nursing programs. Every institute has world-class facilities and pedagogy, which are constantly reviewed and upgraded to reflect the latest trends and developments in higher education.

The Manipal Group, a pioneer in higher education services with a 60-year-old legacy of excellence, also owns and operates campuses in Sikkim and Jaipur in India, and in Nepal, Malaysia, and Antigua, in the Caribbean. MAHE has been accorded the status of Institute of Eminence (IoE) by HRD, Government of India in 2019.

Organizing Committee:

Advisors:

- Dr PLNG Rao, Advisor, MAHE
