About Conference

The field of translation research is challenging yet filled with numerous opportunities. In this regard, this conference provides fresh insights and exposure to the latest research and developments in translational drug discovery. The conference focuses on emerging areas such as artificial intelligence, computational Drug Discovery, in-silico Drug Designing, biomarker identification, etc. Four Departments of MCOPS, MAHE, Manipal, (Viz. Pharmaceutical Chemistry, Pharmacology, Pharmaceutical Biotechnology and Pharmacognosy) have come together to conduct conference. Eminent personalities from various institutes of National importance and elite industries would chair and deliver the plenary sessions. Plenary sessions will be organized every day, followed by Poster/Oral presentations at the conference. The Poster/Oral presenters will have a chance to win prizes to encourage as well as recognize them for their research work.

About MAHE

Manipal Academy of Higher Education (MAHE) is synonymous with excellence in higher education. Over 28,000 students from 57 different nations live, learn and play in the sprawling university town. It also has nearly 2500 faculty and almost 10000 other support and service staff, who cater to the various professional institutions in health sciences, engineering, management, communication, and humanities. The University has off-campus in Mangalore, Bangalore, Jaipur, and off-shore campuses in Dubai (UAE). Each of these institutes has world-class facilities and pedagogy, which are constantly reviewed and upgraded to reflect the latest trends and developments in higher education. The Ministry of Education, Government of India, has granted Institution of Eminence (IoE) status to MAHE in 2018.

About MCOPS

Manipal College of Pharmaceutical Sciences (MCOPS) is a constituent unit of Manipal Academy of Higher Education, Manipal, established in 1963. MCOPS offers D Pharm, B Pharm, Pharm D, M Pharm, Pharm D Post Baccalaureate and PhD programmes. Located in the serene student-friendly atmosphere of Manipal, a hub of talents and skills, the institution has carved a niche for itself in education and research. MCOPS inculcates the basic skills, knowledge, and personality in its students to make them employable. MCOPS attracts students from far and wide. The institution adheres to all quality measures in terms of imparting education to its students.

This year, college is celebrating its Diamond Jubilee 1963-2023. The college ranked 151-200 in QS World Ranking 2021. MCOPS consistently ranked amongst the top 10 Pharmacy Institutions of India since the inception of National Institutional Ranking Framework (NIRF) by Ministry of Education, Government of India. The college has many research projects funded by various industries and government agencies. It boasts of a centralized state-of-the-art library, research center and centers of excellence. The college attached to one of the best teaching hospitals - Kasturba Hospital.

CALL FOR PAPERS

We invite researchers, scientists, and experts in the field of Drug Discovery to submit their original research papers for Poster/Oral presentation at the upcoming scientific conference on "Translational Research in Drug Discovery". The Poster/Oral presentation are invited one of the following scientific sessions during the conference.

Topics of interest for paper submissions include, but are not limited to:

- **Drug Design and Synthesis**
- **Drug Discovery from Biological/Natural Sources**
- **Pharmacological and Toxicological Research**
- **Translational Research/Clinical Drug Development**

Accepted papers will have the opportunity for Poster/Oral presentation, allowing researchers to engage in fruitful discussions and receive valuable feedback from peers and experts in the field.

Submission Guidelines

The length of the abstract should be limited to **500** words with 1.5 spacing and **Times New Roman** font.
