### About CPCON

Health care system is evolving rapidly around the globe through consolidation, corporatization, and accreditation processes. Quality and safety of health care delivery play a pivotal role in this scenario. Clinical pharmacists can catalyze the changes required in the healthcare sector for adapting to the evolving system by collaborating with other healthcare providers.

### Highlights:

- Academic and Research conclave of pharmacy practitioners and students from India and abroad in collaboration with other healthcare practitioners
- Educational Symposiums
- Research presentations
- Professional Networking
- Students initiated research projects
- And many more....

MAHE has been recognized as an 'Institute of Eminence'  
by Ministry of HRD, Govt. of India
