

Aasif Mohmad LONE (PhD)

geoaasif@gmail.com
aasif.lone@manipal.edu

Born: 21st March 1990

Marital status: Married

Nationality: Indian

Assistant professor (Research)

Geology Division
Department of Civil Engineering
Manipal Institute of Technology
Manipal Academy of Higher Education
Karnataka, India.

RESEARCH INTERESTS

Research areas : Climate, Paleoenvironments, Limnology, Earth Surface processes, Human perturbations

Expertise areas : Fieldwork, Proxy records, Sedimentology, Geochemistry, Isotopes, Archival records

Projects: Himalayan monsoon, Human-Environment interactions, Lake Anthropocene, Glacial lakes

"

EDUCATION

2022-23	Habilitation	Manipal Institute of Technology, India
2014-18	Ph.D. Geosciences (GPA 9)	Anna University Chennai, India
2012-14	MSc. Earth Sciences (67%)	University of Kashmir, Srinagar India
2009-11	BSc. Geosciences (63%)	University of Kashmir, Srinagar, India

POSITIONS

2023-Now	Assistant professor	Manipal Institute of Technology, India
2022-23	Postdoctoral Fellow	Manipal Institute of Technology, India
2022-22	Research Associate	University of Kashmir, Srinagar India
2021-22	Assistant Professor	University of Kashmir, Srinagar India
2019-21	Postdoctoral Fellow	Indian Institute of Science Education and Research (IISER), Bhopal India

Dr. Lone, is an Assistant Professor of Geology, Department of Civil Engineering, Manipal Institute of Technology, MAHE, Institution of Eminence, Manipal, Karnataka, India. His research interests revolve around the reconstruction of Holocene hydroclimate variability, Human-Environment interactions and assessment of environmental pollution indices from the Indian Himalayan region using sedimentology, biogeochemistry and isotope proxies and tracers from lacustrine and eolian sedimentary sequences. Dr. Lone's passion is to engage in scientific research endeavours where he can effectively apply his knowledge, expertise and skills to contribute effectively for the development of Science and Society. Dr. Lone has published more than 30 articles in various reputed international and national journals of Earth, Environment and Geoscience fields.

GRANTS

2015-17 Anna Centenary Research Fellowship [Holocene paleoclimate in Kashmir Valley, Northwest Himalaya](#)

(A) Publications with peer review process

1. Tran, T; Nguyen, M; Lin, C; Hoang, T; Nguyen, T; **Lone, A. M.**; Khedulkar, A. P; Gaballah, M.S; Singh, J; Chung, W. J; Nguyen, D. D (2024). Review on fate, transport, toxicity and health risk of nanoparticles in natural ecosystems: Emerging challenges in the modern age and solutions toward a sustainable environment. **Science of the Total Environment**. Volume 912, 20 February 2024, 169331.

2. **Lone, A. M.**, Dar, R. A; Romshoo, S. A (2024). Paleoclimate, productivity and anthropogenic eutrophication: Drawing inferences from paleolimnological proxy records of the Kashmir Valley, northwestern Himalaya. **Quaternary Science Advances**. TEACHING

2019-20	Introduction to Environmental Geology	IISER Bhopal, India
2022-23	Research Methodology and Technical Communication	MIT Manipal, India

FIELDWORK EXPEDITIONS

2016	04 Weeks	Hamtah Glacier, Glaciology , Geological Survey of India, India
2015	02 weeks	Zanskar Valley, Geology , Dept. of Science and Technology, India
2014	03 weeks	Kashmir Himalaya, Dendrochronology , BSIP Lucknow, India

2013	02 weeks	Ladakh Himalaya, Geology , University of Kashmir, India
2013	04 weeks	Bangalore, India, Geology , University of Kashmir, India

SKILLS

- Excellent research writing skills
- Sedimentological, Geochemical and isotopic analysis of lacustrine sediments.
- Significant knowledge of natural proxy records for paleoclimate reconstruction
- Good mountaineer and excellent field skills for research sample collections.
- Lithological interpretation of lacustrine sedimentary sequences.
- Well acquainted with Origin, SigmaPlot, R-Studio, CorelDraw and QGIS software.

ACHIEVEMENTS & AWARDS

- Anna Centenary Research Fellowship (ACRF) Anna University Chennai.
- Qualified the CSIR -NET examination of December 2017 in Earth Science (AIR 41)
- Qualified the UGC JK-SET examination of May 2016 in Earth Science

LANGUAGES

- Fluent: English, Hindi, Urdu, Kashmiri

PROFESSIONAL LIFE MEMBERSHIP(S)

International Society of Aeolian Research

Registration ID: 70-585-

Association of Quaternary researchers

Registration ID: AOQR704006
