EVENT REPORT

Second International Conference on Artificial Intelligence, Computational Electronics and Communication Systems (AICECS 2023) 16-17 February 2023

Department of Electronics and Communication Engineering, Manipal Institute of Technology (MIT) in association with IEEE Student Branch Manipal (IEEE SBM) organized the second International Conference on Artificial Intelligence, Computational Electronics and Communication Systems (AICECS) 2023, on 16-17 February 2023 in MIT - Manipal campus. The conference received funding's from SERB-DST, Govt. of India.

Inaugural Program

Taking the blessing of the almighty by rendering the invocation song by Mrs. Sowmya S, Assistant Professor, ECE, MIT, and floral tribute to the founder.

The conference was inaugurated by Chief Guest: Dr. Narayana Sabhahit, Pro Vice Chancellor - Technology & Science MAHE, Manipal, Guest of Honour: Dr. Kumar Rajamani, Senior Manager Algorithm, KLA – Tencor, Chennai on 16th February 2023, 9:30 AM in Sir. M V Seminar Hall, MIT-Manipal. The inaugural function was presided by Cdr. Dr. Anil Rana, Director, MIT-Manipal. The function was graced by keynote speakers Dr. Devendra Yadav, Scientist F, DRDO Delhi and Dr. Alsath, MIT administrative officials, heads of other departments, faculty, research scholars, students and delegates. Dr. Kumara Shama, HoD, ECE-

MIT, Manipal welcomed the gathering. Dr. Pallavi R Mane, General chair AICECS 2023 introduced to the conference AICECS 2023, highlighting the conference objectives. Dr. Tanweer General Chair AICECS 2023, presented a brief report on the reviews and statistics of papers the AICECS 2023. Total 91 papers were cleared through Morressier after initial plagiarism check, of which 65 were accepted. Each paper has undergone single blind review process by at least 2 reviewers.

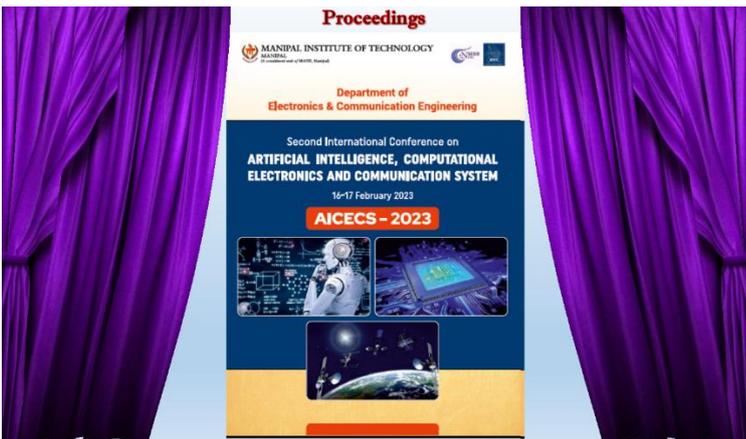

Dr. Narayana Sabhahit, Pro Vice Chancellor - Technology & Science MAHE, Manipal, addressed the gathering. He highlighted the significance of organising and attending conference that will have benefits and give exposure to research scholars and faculties, MTech and BTech students.

Guest of Honor of the program, Dr. Kumar Rajamani, Senior Manager Algorithms, KLA Tencor, enlightened the gathering with his experience and sharing few take away points on attending conference.

Cdr. Dr. Anil Rana, Director, MIT-Manipal delivered the presidential address. Having rich experience in Indian Navy and over 30 years of Industry and Academics he shared the advantages of presenting the research work and getting professionally connected with people working in similar field of work.

The inaugural function was formally concluded with the vote of thanks delivered by Dr. Pramod Kumar, General Chair AICECS 2023 followed by high tea.

The delegates, attendees were enlightened with 10 invited keynote talks from eminent speakers: **Dr. Kumar Rajamani**, Senior Manager Algorithms, KLA Tencor, **Dr. M Gulam Nabi Alsath**, Associate Professor, ECE – SSN college of Engineering, kalavakkam

Dr. Bidhan Pramanick, Assistant Professor, IIT Goa, **Dr. Satyasai Jagannath Nanda**, IEEE Senior Member, MNIT Jaipur-Rajasthan, **Dr. Sandeep Kumar**, Assistant Professor, ECE -NITK Surathkal, **Dr. Devendra Yadav** (Scientist F, DRDO Delhi), **Dr. Ravi Kumar Gangwar**, IIT Dhanbad, **Dr. Preetam Kumar**, Professor, IIT, Patna, **Dr. Himanshu Shekhar**, Assistant Professor, IIT, Gandhi Nagar, Member – Center for Biomedical, **Dr. Jaume Anguera**, IEEE Fellow, IEEE Distinguished Lecturer Antennas and Propagation, Founder and CTO at Ignion and Associate Professor at University Ramon LLull Barcelona, Spain, Member of the Smart Society research group. The deliberations of the conference exhibited the platform of vigorous exchange of research ideas and findings in the cutting edge research areas in line with the theme of the conference.

Cultural Program and Banquet Dinner

Cultural twilight by Artist Mr. Gagan Gaonkar, V semester ECE student of MIT-Manipal, who is winner of Z-TV reality show “5th Season of Sa Re Ga Ma Pa Lil Champs in 2015” and various national awards.
