About conference

The conference will be held in the serene premises of Manipal Institute of Technology, Manipal Academy of Higher Education (Institute of Eminence, Govt of India) Manipal near the coastal town of Udupi. IEEE AICECS 2024 intends to attract people working in diverse fields of Artificial Intelligence, Computational Electronics and Communication System. The conference is designed to create a platform for researchers from academia,industry, practicing engineers, and students. A series of keynote presentations, technical paper and poster presentations are planned to foster vigorous exchange of research findings and ideas among the participants.

The objectives of the Third IEEE International Conference on Artificial Intelligence, Computational Electronics, and Communication Systems (IEEE AICECS 2024) are multifaceted and aimed at advancing knowledge, fostering collaboration, driving innovation in the intersecting domains of artificial intelligence, computational electronics and communication systems. Some of the key objectives include:

- 1. Knowledge Exchange
- 2. Cutting-Edge Research Presentations
- 3. Interdisciplinary Collaboration
- 4. Professional Networking
- 5. Publication and Dissemination

Call for Papers

All the papers are required to be prepared and submitted in the IEEE Standard two-column conference format of A4 size via https://cmt3.research.microsoft.com/AICECS2024. Papers must be four to six pages in length, including texts, figures, photographs, and references. Papers with only literature review are not accepted. The first page must include the title of the paper, author(s), affiliations, address, and text. Failing to conform to the standard format will result in rejection. The IEEE antiplagiarism policy is applicable to all submissions. Detailed format information is available on the IEEE Website. All final paper submissions must be electronic, using IEEE Xplore compliant PDF format (*.pdf). Authors can use the IEEE PDF eXpress to generate compliant PDF files for final submission. The authors must agree to the IEEE copyright conditions and sign the IEEE copyright form as a part of the online submission process. All the submitted papers will be peer reviewed by the Technical Program Committees (TPC). Please note that all the accepted papers will be submitted for inclusion into the IEEE Xplore subject to meeting IEEE Xplore's scope and quality requirements. Original and unpublished papers are solicited in the following domains:

TRACK 1 Artificial Intelligence and Machine Learning

TRACK (2) Computational Electronics

TRACK (3) CommunicationSystems

TRACK 4 Women in Engineering (All the authors should be female and at least one IEEE member. Paper shall be of any Track 1 - Track 3)
