FOREWORD

Chronicle

Dear Readers,

I am delighted to present the WGSHA Chronicle, October, 2021, that showcases the achievements of our students, expert talks and also college and hostel events that took place in the month of September.

Two student teams, Team 'Conquistadors' with Nathan Dsouza, Sadhika Venkatesh and Subhash Praveen Ullal and Team 'Flower Power' with Lavanya Raja, Neha Mathew Chakola and Siddanth Raina from WGSHA, bagged the First and Second Place in the 10th edition of Accor Take Off! Challenge 2021 hosted by Accor, an International hospitality group based in France. My heartiest congratulations to the winners for their hard work and extremely innovative ideas – 'linen waste into cloth pads for women' and 'flower waste into incense sticks and fragrance soaps'. We were very happy to finally welcome 35th course BHM and 10th course BACA in the campus after the abrupt closure of college due to COVID 19 during the second wave of the pandemic.

Our students had made 'Teacher's Day' 2021 very memorable by organizing a cake cutting ceremony to thank all the faculty members. We also organized a Virtual Orientation program for 36th course BHM and 11th course BACA of 2021 admissions, in which we invited a few eminent industry professionals who shared their experiences and motivated our young students. A fire training mock drill was conducted for the faculty and staff of WGSHA to ensure their safety. The Virtual Immersion Program for 36th Course BHM and 11th Course BA (Culinary Arts) hosted many distinguished people from the industry and provided the students with an in-depth understanding of the industry that they are stepping into.

The Department of Dietetics and Applied Nutrition conducted various competitions for the 'Rashtriya Poshan Maah' 2021. I congratulate all the winners. Also, WGSHA organized a webinar for 35th course BHM and 10th course BACA on stress management; orientation workshops for the new batch and an expert session on grooming and etiquette. Also, for the 2nd year Masters of Hotel Management students, we organized an expert session on understanding journal articles. We conducted a 'First Aid Workshop' in collaboration with MCON and an expert talk on Aerobic and Anaerobic Performance Assessment by the Department of Dietetics and Applied Nutrition. In view of the Housekeepers Appreciation Week, we conducted the 'International Summit on Hospitality, Accommodation and Facility Management', where we conducted numerous expert sessions and talks. We also celebrated World Tourism Day 2021 – Tourism for Inclusive Growth. The students of the Gastronomy Club organized an event highlighting Arabic food and culture; Ganesh Chaturthi was celebrated in the hostel which was followed by a cultural performance and some amazing food. I would like to congratulate all my colleagues for taking part in various events. I would also like to congratulate all the students who won the Grand Challenge 2021 organised by MAHE.
